

Homework 6

Math 262

recommended completion date: Wednesday, October 4

You should do these problems for your own practice, but *your solutions will not be collected or graded*. Solutions will be posted on Moodle so you can check your own work.

Book Problems

- Section 2.4 #49, 50, 52, 58, 66, 71 (pages 102–106)
